PREMIUM MARGARET RIVER

HOWLING WOLVES CABERNET SAUVIGNON

A deep red colour with a bright ruby hue. The wonderfully complex aroma is layered with blueberry and blackcurrant, floral violet notes and mocha oak nuances. A lush palate of rich dark fruits, with a berry coulis tang and floral lines, counterpoints the spice and vanilla influence of French oak maturation. Glass \$8 | Bottle \$28

HOWLING WOLVES SHIRAZ

A deeply inky black colour with crimson hues heralds aromas of dark forest fruits and hints of exotic Chinese spice. Layers of vanilla and cedar add complexity to a rich palate of black cherries, forest fruits and complex earthy notes, with a hint of white pepper. Soft fine tannins from the mix of French and American oak add layers of vanilla bean and a hint of gun smoke. Glass \$8 | Bottle \$28

HOWLING WOLVES SEMILLON SAUVIGNON BLANC

A radiant pale straw in colour the nose is one of intense aromas of gooseberries; fresh lemon and pineapple, intermingled with a hint of musk, fresh sweet green peas and meadow hay. The palate is crisp, clean and jam-packed with fresh cut pineapple, lemongrass and layers of juicy stone fruits with a crisp, dry sherbet like finish. Glass \$8 | Bottle \$28
